Ask Your Doctor

You may cough tomorrow! Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. Your doctor's approval of its use will certainly set all doubt at rest. Lowell, Mass.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger, but not dyspepsia. The confirmed dyspeptic "is fit for treason, strategems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault-fander.
